

# What's included?

## Flight & Transfer

We appreciate that landing in a new town can be daunting. To make it as easy as possible we'll make sure there's a shuttle waiting for you which will take you to your accommodation so you can settle in without any hassle. Exciting times ahead!

## Work

We'll find you a job which you can start as soon as possible after arriving in town. Our national recruitment partners, Remarkable Labour, have their headquarters in Queenstown. It's easy to try something new if you don't like what we find for you.

## Accommodation

We'll include at least a couple of weeks rent at your accommodation. Hostels are a great way to meet people and make friends. Our accommodation partners offer weekly rates, and you decide when the time is right to find something more permanent.

## Local Giftpack

All of our packages include a local giftpack which consists of a Queenstown orientation, some epic, iconic Queenstown activities, a free Fergburger, and heaps of useful local knowledge and discounts with local businesses.
